

San Diego's Premier Source for Mechanical Hardware

Get the right parts on time, at competitive prices, and with the full service support you need.

Serving San Diego Since 1958

Western Fastener was founded in 1958 to serve the manufacturing community in San Diego and northern Baja. The company has grown to become the premier stocking distributor of fasteners, electronic hardware, specialty mechanical components and related products and services in the area. Western Fastener is a family owned and operated small business.
